To our Graduates

Dear High School Graduate,

Congratulations on earning your high school diploma. For you today, one era has passed and another is about to begin. Through your hard work, perseverance, and dedication, you have given yourself the greatest of gifts: the gift of education.

Today you are not just a high school graduate; you are poised on the threshold of becoming a student at the largest art and design university in the nation. Today is not the end of your road to excellence; it is just the beginning.

To you, your family, and your friends who have helped you arrive at this day, we say congratulations. And we welcome you to our family here at Academy of Art University.
